Spaces heads to the Wine Country

Bacchus couldn't have asked for a better evening, when Spaces headed north to join wine lovers from all over the Bay Area for a special wine and cheese tasting at the gorgeous Mayacamas Club and Golf Resort in Sonoma County. Some 25 wineries were on hand for the event, which featured prestigious names like Harlan, Kistler, Dumol, Ferrani Carano, Cakebread and others pouring tastes of their new releases. Guests lingered in the courtyard until after sunset enjoying the live music and savoring hors d'oeuvres and gourmet cheeses from local makers.
